To Chief Manager

Commercial proposal

JSC «Lidakhleboproduct» is a leading flour manufacturer in The Republic of Belarus, it produces more than 15% of wheat flour in the country. The enterprise was founded in 1984 and it includes: the grain elevator for grain keeping with a reservoirs of 100,2 thousand tons; wheat mill with capacity of 500 tons grain processing a day which produces 114 thousand tons of flour per year, provender milling section with a capacity of 420 tons a day and line for premixes producing with a capacity of 30 tons a day.

All the products are manufactured according to the following customs commodity codes:

- 1101001500 – wheat flour;
- 1901200000 – flour mixes;
- 1902199000 – pasta;
- 1102907000 – rye flour;
- 2302309000 – wheat bran;
- 2309909900 – premixes.

The quality management system for flour and provender milling producing and prepackaging is introduced in JSC «Lidakhleboproduct», it conforms the requirements of STB ISO 9001-2009. The HACCP system for producing, prepackaging and storage of flour products is introduced in JSC «Lidakhleboproduct», it conforms the requirements of STB 1470-2004, it guarantees the high quality of the manufactured products and is marked by the Government Award of the Republic of Belarus.

Annually JSC «Lidakhleboproduct» wins rewards in national and international competitions such as «Choice of the year», «Product of the year», «Brand of the year» what is a symbol of quality and company success. For many years TM «Lidskaya Muka» is Flour No 1 in the Republic of Belarus.

Among our partners are companies from The Russian Federation, The Ukraine, Turkmenistan, Lithuania, Uzbekistan, The USA, Israel, China, Vietnam, Kazakhstan and other countries.

JSC «Lidakhleboproduct» suggests you a partnership for product delivery of own production on the terms of Letter of credit or 100% of advanced payment with a possibility of shipment by road, rail or sea. Capacity of delivery per month: top-grade wheat flour – from 5000 tons, first sort wheat flour – from 2000 tons, second sort wheat flour – from 1500 tons, rye flour – from 500 tons, pasta – from 800 tons, flour mixes – from 50 tons, wheat bran – from 2000 tons, premixes – from 800 tons. Pre-packing is made according to the client's requirements.

In case of positive decision and attraction of all factors, together with your company we are ready to have negotiations regarding the signing of a long-term agreement. One of the key aims of JSC «Lidakhleboproduct» is to give attention, respect and have friendly relationships with our partners and clients.
