7.	Previous assistance received from other foreign sources	The Government of the Republic of Korea in the framework of the program "Official Development Assistance" (ODA) for a total

		<p>amount of:</p> <p>-36,600 US dollars (purchase of RT 300-SLSA rehabilitation equipment.</p> <p>-5,864 Belarusian rubles (purchase of disposable electrodes and stationery);</p> <p>The branch of the Embassy of the Swiss Confederation in Minsk within the framework of the Folk Therapy project in the amount of 7,400 Belarusian rubles.</p>
8.	Required amount	70 000 USD
9.	Co-financing	-
10.	Project term	2022-2023
11.	Project purpose	Maximum possible socialization and adaptation of disabled children into society.
12.	Project objectives	<ol style="list-style-type: none"> 1. Expansion of opportunities for social rehabilitation and adaptation of disabled children held at the Center. 2. Ensuring the participation of disabled children in cultural events, giving them the opportunity to get acquainted with the cultural, historical and spiritual heritage of Belarus; 3. Ensuring accessibility of participation of disabled children, on an equal basis with other children, in social and cultural life; 4. Ensuring safe and comfortable transportation of disabled children.
13.	Detailed description of the activities within the project in accordance with the tasks set	<p>Purchase of a specially equipped minibus to the Center, designed to transport disabled children, including in wheelchairs.</p> <p>The equipment of the minibus includes:</p> <ul style="list-style-type: none"> -lifting device for wheelchairs and for disabled children using auxiliary equipment (walkers, crutches, canes) when moving; -equipped places for transportation of disabled children in a wheelchair with wheelchair fixation provided inside the cabin; -availability of seat belts for each child; -anti-slip floor covering inside the cabin.
14.	Justification of the project	Equipping the Center with special transport will make it possible to fully realize the main goal of the Center's activities – social rehabilitation measures. Specialists of our Center will be able to

		broaden the horizons of each child. And this, in turn, will favorably affect the processes of thinking, sensory perception and the overall level of intellectual and speech development.
15.	Post-project activities	The staff of the Center will be able to organize educational and entertainment events for disabled children, which is not available to many of them in everyday life.
16.	Project budget	70 000 USD
